

## **Paris Elementary Parent Resource Center**

**The Parent Resource Center at Paris Elementary School provides resources to help our parents support their student's instruction. This will be located in the front lobby in a brown bookcase. The Resource Center will be open from 8:00 A.M. until 3:30 P.M. Monday through Friday. For more information about using the center, please contact Mrs.Graupman (Title I Reading) or Mrs.Bailey (Title I Math).**

### **Purpose/Mission**

- To promote increased student achievement by supporting families, school staff, and students
- To reduce barriers to learning by supporting and advocating for parents and families and assisting them with meeting their family's needs
- To affirm, strengthen, and support families in Paris

### **Desired outcomes:**

- Improved student academic achievement, behaviors, and attendance
- Improved family connectedness with the school and community supports

### **We assist by:**

- Helping parents and children establish and maintain healthy interpersonal relationships

- Helping families support learning in the home and at school
- Helping teachers and other school staff understand barriers to learning and implement learning supports
- Helping students feel safe and connected to school

### **What resources are available?**

- Books on Arts and Crafts, Diabetes, Study Skills, Bullying, Technology, Work Success, Writing, Reading Comprehension, Social Studies, Math and Science
- Magazines about Families
- Dictionaries, Encyclopedias
- DVD's and Interactive CD Roms

### **How do I check-out items for my child from the Parent Resource Center?**

#### **Check-out Procedures**

1. Select item to check-out.
2. Sign the item out on the clipboard. Please return the items within two weeks.

#### **Return Procedures**

1. Check the returned box on the clipboard when you bring the item back.

2. Place the materials in the return spot.
